

Our commitment to servicing our customers with quality product at competitive price and on-time delivery is backed by our continued investment in our equipment. Our employees and in our systems . ABIS is a full service molding that a 12 000 square foot facility housing our molding department in-housing mold making , quality control. Warehousing secondary operations and offices , If we find a client's product concept would be too costly to manufacture . We will assist the customer in designing parts that not only can be manufacture but one that can be made cost-effectively from prototype to production. With our extensive experience we are confident . We have the solution to your next injection molding application.

## **Product Description**

|                     |                                         |
|---------------------|-----------------------------------------|
| Part Name           | Plastic injection mold Magic rubik cube |
| Description         | Household Devices                       |
| Country of Original | ShenZhen, China (Mainland)              |
| Brand Name          | ABIS                                    |
| Lead Time           | 25-46Days                               |

### Payment Terms

1. T/T: 40% Deposit,30% upon T1 Sample,30% Balance before shipment
2. L/C: irrevocable 100% L/C at sight.

## General Information

| Item# | Item              | Description                                   |
|-------|-------------------|-----------------------------------------------|
| 1     | Product Name      | Plastic injection mold Magic rubik cube       |
| 2     | M o l d   b a s e | LKM;HASCO;DME                                 |
| 3     | Shaping Mode      | Plastic Injection Mould                       |
| 4     | Product Material  | Copper, Steel                                 |
| 5     | Mold Material     | 718H, P20, NAK80, S316H, SKD61, etc.          |
| 6     | Mould Surface     | EDM, texture, high gloss polishing            |
| 7     | Cavity            | Multi or single cavity                        |
| 8     | Design software   | UG,PROE,CAD,SOLIDWORK                         |
| 9     | Runner            | Hot runner or cold runner                     |
| 10    | Design            | Drawing offered by clients or by our engineer |
| 11    | Mould size        | Based on sample                               |

|    |                |                                          |
|----|----------------|------------------------------------------|
| 12 | Transportation | By sea, by air or by land as you request |
| 13 | Package        | According to clients requirement         |
| 14 | Mould life     | 250000-300000shots                       |

## Company

## Information

ABIS was founded in Shenzhen China, adjacent to Hong Kong, in 1996, has its own factory of 12,000 square meters. With the advanced facilities from Germany, Swiss and Japan, and a highly experienced design and engineering team, ABIS builds multi-cavity molds to exacting tolerances, providing the critical structural foundation for leading manufacturing companies to produce high precision mold.

|    |          |         |               |                    |             |

| 6. | Prototype | Tooling    |
| 7  | Mass      | Production |

ABIS applies advanced software for mold design-Auto CAD, UG, Solid works and ProE etc. So far, ABIS has received the "ISO 9001", "ROHS" green, SGS certificate.

## Certification

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Tooling Shop

## Packaging & Shipping

## Why choose us?:

1. More than 20-years experience.
2. ISO9001:2008 certificated.
3. Competitive price with high quality.
4. More than 50 machines support to run the business.
5. Custom R&D program coordination.
6. Expert technicians.
8. Diligent and loyal workforce.
9. Up-to-date software.
10. International standards, SAY, HASCO, DME, MISUMI, etc
11. Well-rounded after service.

We will give our best service, quality, price and delivery time !

If you have any question just call me or send E-mail to me please!

## FAQ

Q:How can you confirm the plastic injection mold you produce is the one we need?

A: we can provide professional mold analysis reports before mold making .

Q:What can we do if we don't have the mold drawing ?

A: you will only provide the actual sample to us then we can help you to make the design injection mold drawings for your confirmation

Q:Can we test the plastic injection mold?

A:after the mold is ok ,we can help you to test the mold for free.

Q:Can you process the die-casting parts of injection mold?

A: We can help to process die-casting parts for small run or mass production.

Q:What about the plastic products samples are wrong?

A: if you are not satisfied with the plastic sample, we can send the sample to you again for free.
